

Help Kucinich Impeach Cheney?

Kucinich is pursuing Cheney's impeachment. Well let's help him out. Sacks and sacks of mail are about to arrive in Dennis Kucinich's office initiating impeachment via the House of Representative's own rules.

Kucinich says he is building his case for impeachment, and is working to build the support of his peers in Congress. He said he needs us to keep building the groundswell of support for impeachment all over the country. He asks that we send him copies of all the resolutions passed in various States, local Legislative Districts, County Districts and of any petitions with signatures, so that he can present them to the floor of the House. He said he felt that our framing the issue of impeachment in terms of the Constitution is a principled choice, and ultimately more effective than just acting on anger. Here's video of Kucinich addressing the impeachment issue:

Let's answer Kucinich's call with a petition that has its precedent in history, and it's legitimacy in the Rules of the House of Representatives.

This is much more than just a petition. This is a way for individual citizens to initiate the impeachment process themselves, directly.

There's a little known and rarely used clause in the rules for the House of Representatives that sets forth the various ways in which a Vice President can be impeached. Only the House Judiciary Committee puts together the Articles of Impeachment, but before that happens, someone has to initiate the process.

That's where we come in. One of the ways to get impeachment going is for individual citizens like you and I to submit a memorial. ImpeachForPeace.org has created this new memorial based on one that was successful in impeaching a federal official in the past.

To find out more, check out: <http://ImpeachForPeace.org/ImpeachNow.html>

To initiate impeachment, send one letter to Impeach for Peace, and another to one or more of the following representatives who were recommended by Rep. Keith Ellison. Rep. Ellison is on the House Judiciary (the committee in charge of drawing up Articles of Impeachment), and provided a list of fellow Judiciary members. With encouragement, Rep. Ellison believes these representatives might support impeachment. When we get enough, we'll hand deliver them with cameras rolling.

Strategic Representatives to whom to send this memorial:

Honorable Dennis J. Kucinich 14400 Detroit Avenue Lakewood, Ohio 44107	
Honorable Linda T. Sanchez 17906 Crusader Ave. Ste. 100 Cerritos, CA 90703	Honorable Jerrold Nadler 201 Varick Street, Suite 669 New York, NY 10014
Honorable Howard L. Berman 14546 Hamlin Street, Suite 202 Van Nuys, CA 91411	Honorable Zoe Lofgren 635 N. First Street, Suite B San Jose, CA 95112

Here's what to do:

1. Print out two pages: the cover letter and petition addressed to “Impeach for Peace.” Also print as many copies of the last two pages in this document as you wish. These two pages are the cover letter which you will address to various representatives listed above, and the petition. Each envelope will contain a cover letter and a petition.

2. Fill in all blank spots:

- Print your name/address in the “From:” boxes on the cover letters and petitions.
- Print your full name after “I, _____” on the cover letters.
- Sign your name and write the current date on the “Signature” line at the bottom of each of the cover letters.
- Write your full name after “The petition of _____” on each of the petitions.
- Print the representatives’ name and address in each cover letter’s “To:” box.
- Print the representatives’ name in each cover letter’s “Dear _____,” line.

3. **OPTIONAL:** According to the chief parliamentarian in the U.S. House of Representatives and his deputy, these memorials do not need to be notarized. If you’d rather be on the safe side, however, there are many local banks or workplaces that will notarize them at no cost. There are also notaries in every law office.

IMPORTANT: If you decide to get the petitions notarized, wait to sign and date them until you are in the presence of the notary. You can find a notary at: <http://www.notaryrotary.com/agent/search.asp>

However, do not let the inconvenience of notarizing the memorials stop you from sending them. If you are unlikely to go to this effort, or if you do not have a bank account and are unwilling to pay to have them notarized (usually a very small fee if not free at many businesses), then simply sign it and send it in. Notarization is probably not necessary, and regardless, your document will help create political pressure.

4. If you’ve decided against getting the document notarized, then sign and date the “Signature” line of the petitions that have the bit about notarization on them.

5. Address envelopes with Impeach for Peace’s name/address and the name/address of the representatives (listed above).

6. Write your return address on the envelopes and put stamps on them.

7. Place the memorials and cover letters in the appropriately addressed envelopes (and please consider including a voluntary contribution to ‘Impeach for Peace’ to help us with expenses).

8. Email all your friends about this!

9. Mail the envelopes today.

To the Honorable House of Representatives of the United States:

The petition of _____, a citizen of the District of Columbia and of the United States, respectfully showeth:

That, Jefferson's Manual section LIII, 603, states that impeachment may be set in motion by charges preferred by a memorial, which is usually referred to a committee for examination; and

The memorial goes on to set forth that, Richard B. Cheney has intentionally misled the public regarding the threat from Iraq in order to justify a war against Iraq, intentionally conspired with others to defraud the United States in connection with the war against Iraq in violation of Title 18 United States Code, Section 371; and

The memorial goes on to set forth that, Richard B. Cheney has conspired to commit the torture of prisoners in violation of the "Federal Torture Act" Title 18 United States Code, Section 113C, the UN Torture Convention and the Geneva Convention, which under Article VI of the Constitution are part of the "supreme Law of the Land"; and

The memorial goes on to set forth that, Richard B. Cheney authorized the leaking classified national secrets to further a political agenda, exposing an unknown number of covert U. S. intelligence agents to potential harm and retribution;

The memorial goes on to set forth that, In all of this Richard B. Cheney has acted in a manner contrary to his trust as Vice President, subversive of constitutional government to the great prejudice of the cause of law and justice, and to the manifest injury of the people of the United States.

In conclusion the memorialist says:

Having thus submitted to your honorable body the facts of his case, your petitioner begs leave to observe that it appears from those facts:

First. That the said Richard B. Cheney has, in his capacity of Vice President of the United States, been guilty of usurping a power which the laws of the land did not give him.

Second. That said Richard B. Cheney has exercised his power, be the same usurped or legitimate, to the detriment of every citizen of the United States.

Wherefore, and inasmuch as the said Richard B. Cheney has violated the most sacred and undoubted rights of the inhabitants of these United States, your petitioner prays that the conduct and proceedings in this behalf, of said Richard B. Cheney, may be inquired into by your honorable body, and such decision made therein to impeach, to appoint managers to conduct the impeachment trial in the Senate, and to inform the Senate of these facts by resolution (Manual Sec. 607; Deschler Ch 14 Sec. 9) for trial and removal from office and disqualification to hold and enjoy any office of honor, trust or profit under the United States;

And your petitioner, as in duty bound, will pray.

Dear _____,

I, _____, citizen of the District of Columbia and of the United States, respectfully ask your representation in the U.S. House of Representatives through a petition of memorial. In concordance with the Jefferson's Manual section LIII, 603, which states that "impeachment may be set in motion by charges preferred by a memorial, which is usually referred to a committee for examination", I submit the enclosed petition for review by the House Judiciary Committee (for precedent see Hinds Sec. 2364, 2491, 2494) regarding the impeachment of the Vice President of the United States.

For precedent, I refer to the petition of Luke Edward Lawless, from March 30th, 1826 in regards to impeaching Federal Judge James H. Peck.

Also, here are the House rules that allow for the submission of the memorial (even from those not in your constituency):

Congress House Rules Manual -- Doc No. 108-241, Page 600--"Petitions, memorials, and other papers addressed to the House may be presented by the Speaker as well as by a Member (IV, 3312). Petitions from the country at large are presented by the Speaker in the manner prescribed by the rule (III, 2030; IV, 3318; VII, 1025). **A Member may present a petition from the people of a State other than his own** (IV, 3315, 3316). The House itself may refer one portion of a petition to one committee and another portion to another committee (IV, 3359, 3360), but ordinarily the reference of a petition does not come before the House itself."
