

CALL TO ACTION BY We the People: IMPEACH!

Dear Minneapolis citizens,

Take **2 minutes to contact your city council member** and ask him/her to pass a resolution to impeach Bush/Cheney. Council Member Ralph Remington is helping us with this movement, but needs us to contact the other council members. We currently estimate that we're one vote shy of getting the resolution to pass. Resolutions have passed in 80 cities and 17 State legislatures are considering resolutions. Resolutions have been passed or have been introduced in numerous statewide and national political committees, State legislative districts, local political groups/parties/jurisdictions, constituent groups, and unions. Some local elected officials claim that this is only a federal issue, but the policies made by the current administration are reducing our Local Government Aid which we see affecting our local services. Not to mention the loss of Minneapolis citizens fighting in Iraq.
