

Impeachment Is Not Only Possible, It's ESSENTIAL!!

If Bush and Cheney are allowed to leave office without being impeached then a dangerous precedent will be set. Future Presidents will be able to mislead Congress into costly wars, spy on millions of Americans, and torture prisoners who have never had their day in court. Future Presidents will point to Bush and say "He did it. So can we."

The Nixon Flooding Plan in 1974 was a successful strategy of "flooding" Congress with nearly 90 separate Impeachment Bills.

*It worked to convince Richard Nixon to resign!
It can work again!!!*

The amazingly large number of crimes committed by the Bush/Cheney administration gives each Representative the opportunity to craft bills or resolutions that are taylor made for his/her constituency.
